Conifer Tree Collections at Bennett Arboretum
Saturday, November 4, 2017, 1:00 – 3:00 pm

Join the Wayne County Parks Naturalist at Bennett Arboretum in Northville to explore the conifer tree collections (trees with cones). We will explore some of the unusual historic plantings from the 1930s, such as Bald cypress and Port Orford cedar along with our native Michigan cone-bearing trees, and more recent planting collections, including a section of Dawn Redwood trees.

Meet at the Northville Recreation West parking lot, on the east side of Hines Drive, south of Seven Mile Road. We will be hiking in the northern section of the Arboretum, which has some rolling hills.

Program fee is \$3.00 per person, recommended for ages 12 and older. Please call the Park Office to pre-register or with any questions at 734-261-1990.
